NEWS RELEASE

For immediate release: 10/22/2021, 10:15 a.m.

Valdez, AK –The City of Valdez has launched an e-Newsletter, Valdez COVID-19 Community Updates, which is now the primary point of contact for the latest news and information about the pandemic here in Valdez. The newsletter will be published weekly on Fridays, and we are asking community members to subscribe. Just visit the City of Valdez website and click on “Notify Me” to subscribe to Valdez COVID-19 Community Updates and to see the messages that have been sent so far. The latest edition includes helpful information and resources regarding any necessary COVID-19 quarantining or isolations with an important reminder: You are not alone and there are medical professionals and volunteers in Valdez who can help. Please help with spreading the word about the newsletter and subscribe to it by visiting www.valdezak.gov and clicking on “Notify Me.”
